State Board Examination will be held Monday, July 11, 2011 at 9:00 A.M., at New Tyler Barber College, Inc., 1221 Bishop Lindsey Avenue, North Little Rock.

The Arkansas Barber Law only allows a Barber to perform practices to the head, face and neck of a Customer.

BARBERS CAN ONLY WORK IN A LICENSED BARBER SHOP. The wall between barbers and cosmetologists was taken down allowing the two professions to work in the same shop. HOWEVER, You still have to license BOTH SHOPS with the appropriate office – you have to have a BARBER SHOP LICENSE and the cosmetologist has to have a COSMETOLOGIST ESTABLISHMENT LICENSE BEFORE either can work in the same SHOP. Failure to properly license each shop can lead to a FINE.

Before starting a barber shop you should submit a floor plan for approval by this office. This could save you some problems before opening. You must comply with the Americans with Disabilities Act. STERILIZATION: All barber shops and barber schools have to have in use AT ALL TIMES at EACH CHAIR, a Closed, Air-tight Cabinet for working tools and a WET STERILIZER. Make sure you use Hospital grade Sterilizing solution and that you sterilize your clippers and use a disinfectant spray on them each and every time you use them before working on a client. Clippers must be kept in an airtight container with Fumigant in it. All other tools must be sterilized before use. We expect

you to do this for your protection as well as your customers due to the many communicable diseases and especially with the AIDS disease. The Board does not require any barber to shave around the ears and neck of a patron. Cleanliness, sterilization, germicide and disinfectant are a MUST and a PRIORITY OF THIS BOARD.

The BARBER LAW requires that you DISPLAY your license in your barber shop at your work station. **Managers are directly responsible for ALL BARBERS in the shop having a CURRENT LICENSE BEFORE THEY ARE ALLOWED TO WORK!**

## In Memory of.....

It is with great sorrow that we report the passing of longtime barber, inspector and friend Mr. Loyd Fulks. Mr. Fulks passed away April 25, 2011. Many of you knew Mr. Fulks as he had been an inspector with the State Board of Barber Examiners for many years. He will always be remembered for his positive attitude, professionalism and dedication to the Board. Anytime you asked Mr. Fulks how he was doing he always replied with "The best I can".
